BEYOND JORDAN.

and they came to him, mothers of Judah, bars-eyed and in spiendor of hair, dearing down over shoulders of beauty, And become half hidden, half bare; And they brought him their babes and besough

him Half kneeling, with suppliant air, To bless the brown chernes they brought him, With holy hands laid in their hair.

Then reaching his hands he said, lowly, "Of such is My Kingdom;" and then Took has brown little babes in the holy White hands of the Savior of men;

Held them close to his heart and caress'd them, Pat his face down to their's as in prayer, Pat their hands to his neck and so bless'd them, With baby hands hid in his hair.

From Joaquin Miller's last volume.

The Swiss Women.

From Zurich Correspondence of the Bosto Advertisar.]

There is sad enough need of the eleva-There is sad enough need of the elevation of women even in Switzerland. One
handred women chimb each day to splenfid buildings which overlook the city of
Zuich—the first fountain of learning in
the republic; a thousand women toll from
sunset till late evening in, the narrow
lanes below, dragging heavy hand carts,
stacering under heavy burdens planced staggering under heavy burdens balanced pagering under newly outcomes animate proporties the deads, sawing wood, or gathering the refuse from the streets with paskets and shovels—in short, performing he most menial services that the lowest class of male laborers are condemned to in America. I have often seen two leader women sawing ook and sah wood ender women sawing oak and ash wo the street, while a stout fellow stood by sisurely splitting the sawn sticks. One ld creature, the other day, sat upon curbatone, held her saw reversed be tween her knees, and in utter weakness was rubbing the stick of wood upon it to saw it in two.

A PLEASING STREET-CAR INCIDENT Judging from the constant passage d' armes between street-car conductors and newseys, it would appear that these two were incident recently occurred on the Sixth avenue line, which shows that all rules have striking exceptions. A wee urchin, chubby and ragged—with pink elbows visible through his jacket sleeves, lit upon the step of the car, and falteringly piped forth, "sun, Herald, Times!" He lingered for an instant, then was about to jump off, when the strong hand of the conductor him to the platform and a kind voice said, "call out louder, Sonny, nobody hears you." The little fellow looked up, surprised, into the conductor's face, and ouraged by the expression he saw
re, sang out justify the names of his
ers. A few minutes later he left the car
he fewer papers and more pennies than
on he entered it. The man who could
thus mercifold to one of these little care.

New York Money and Stock Markets. thus merciful to one of these little ones, on of his way of thinking and act. lug.- Exchange.

FRENCH MANNERS .- A recent writer of the highest merits of the system that it tacity lays down the principle that all persons meeting in the same house know each other without the formality of an ineach other without the formality of an in-troduction. Any man may ask a girl to dance, or may speak to anybody at a pri-vate party. Another merit of French manners is the general absence of mau-cial houte. If a boy drops his book at aurch he picks it up without bluships A French woman takes off her bonnet to arrange her hair before the glass in a rail-way waiting room, without a thought of the presence of bystandera. In her eyes all such things are so natural, so much a matter of course, that it never occurs here to make any fuss about them."

Pive-twenties arrange her hair before the glass in a rail

Nise hundred and forty thousand op- STATE BONDS Quiet and firm peratives are employed in the production of iron in the United States; 43,000 of these

PROPESSOR AGASSIZ is to furnish a se-tics of articles of a scientific character for next year's Atlantic Monthly, principally

The steamship Silesle, which arrived knows, he is strenuously opposed to Dar- eigns and gold bars. winism, and, not having due fear of Mr. John Fiske, who recently demolished him in the Popular Science Monthly, he purposes to give his views on this vexed ques-tion, which just now rules the scientific and—in no small degree—the theological and—in no small degree—the theological world.

LONDON is the political capital of an or two of the members of the Com Empire of 250,000,000 souls, and it is the objected to some parts of the report, and financial capital of the whole Anglo- showed a little weakening, but the buik Saxon race, including the United States. of the Committee stand firm this evening It is a curious fact that the "Revolted The opinion prevails that the report will Colonies" are the largest customers of the "Mother Country," and the largest borrowers of London money.

A MAN may be a heretic in the truth and if he believes things only because his pastor says so, or the assembly so determines, without knowing other reason though his belief be true, yet the very truth he holds becomes his heresy. — John

"Now, Willie, do have a little courage. When I have a powder to take I don't like it any more than you do; but I make up my mind that I will take it, and I do."
"And when I have a powder to take," relied Willie, "I make up my mind that I on't take it, and I don't."

It is far easier to detect error than to discover truth. The one lies on the sur-face, and can easily be discerned; the other lies deeply hidden, and few are able to find it.

## COMMERCIAL AND FINANCIAL. Wheeling Wholesale Market.

OFFICE DAILY INTELLIGENCER, Wednesday, November 19. The tone of this market is decidedly bett The tone of this market is decinciny octier. There is some improvement in Flour. Grain is more active, but prices are without change. Butter is deli and lower, and Eggs scarce. Potatoes are in good demand and strady; Sweets firmer. The demand for Hay is a little more active, and the market is stronger for the better

grades.

The following can be regarded as the ruling Arras-Dull at \$2@3 28 per bbl., according BUTTER-Dull. We quote prime to choice a

New York Dry Goods Market. NEW YORK, Nov. 19 .- Busines con NEW YORK, NOV. 19.—Busines continues quiet with commission houses, and the general jobbing frade is dul; but large closing out jobbers are fairly active. Prints are selling very freely at low prices. Ootton flannels and grain bags are in fair demand. Four hundred bales of blankets were sold at auction to-day at fair prices. Weekens, very uniet and selling low at Woolens very quiet and selling low at auction. Dress goods in fair request.

BE CARREUL—In these days, when tight hats, hot air, and sedentary occupations, cause the hair to fall out, it is a matter of no little importance to know which of the hair preparations are of gay value. The majority, as has been fre-quently proved by the first dermatologists, or quently proved by the first dermatologists, or hair-doctors, possess little or no merit. Such being the fact, it is consoling to those who are afficted to know there is really one good carticle, which is recommended and used by the first medical authority, and has atood every test. many years. This preparation is finit's YEGE-TABLE SIGILIAN HAIR RENEWER,—a truly scientific compound, which is unquestionably the best preparation. It will restore to gray hair its original color, cleanse the head thoroughly, cure all carution of the scale; trian will away restore original color, cleanse the head thoroughly, co all cruption of the scalp; and will always resto the hair so long as any germs remain, as the almost invariably do, until extreme old age ha by R. P. Hall & Co., Nashua, N. H .- Forney Press, Jan. 25, 1868.

Facts for the People. Facts for the Pcople.

As the virtues of medicines can only be ascertained by careful observation, it is to be regreted that many of the Brugs still prescribed by some physicians should retain a place in our Materia Medica. As an instance of this, that vile drug, Baisam Copabla, furnishes an example. About the year 1590, the Spanjards in the Island of San Domingo having become affilicted with certain complaints, thought, according 100 the prevailing notion at taxt time, that the remedy might be found where the disease originated. Under this impression, Baisam Copabla came into use, but never has a naussating drug done more injury, for it not only changes the nature of the disease to a more dreadful state than the original. But it rains the tone of the stomach of the disease to a more dreadful state than the original, but it ruins the tone of the stomach had brings on Dyspepsia in its worst forms. To twoid this drug and its effects the SAMARI and brings on Display and its effects the BAMAINavoid this drug and its effects the BAMAINTAN'S GIFT, a purely Vegetable Remedy, is
